1. Intros and review of last meeting: 5 min
2. Review contacts and consider others: 5 min
3. Organizational structure: Committees -- 15 min  
Events (Wheelie and beyond)  
Fundraising/Membership  
Policy  
Outreach/Education
4. Breakout into committees: 20 min
5. Steering committee for 501c3 status: 5 min
6. Other business: 5 min

Meetings going forward: Third Wed (next 3/19) 6pm at the American Legion on Bull St (we are waiting for confirmation of the time and location -- stay tuned)

#### **Minutes Feb 27**

We discussed the need to organize. A website and yahoo group were chosen as the primary means of communication. [bicyclecampaign.org](http://bicyclecampaign.org) is the website, and the yahoo group is [groups.yahoo.com/group/bicyclecampaign](http://groups.yahoo.com/group/bicyclecampaign)

Groups suggested for outreach for inclusion:

Savannah Bike Coop

CBTC

Savannah Wheelmen

Bike shops -- Link, Quality, Star, Islands

PACE

Pedicab

SCAD bike club

Armstrong?

Goals:

Short term:

Complete funded projects -- Truman Linear Park and S&O Canal from Dean Forest to Lock 3/Triplett Park

Education session for us with SPD

Push for police bike patrols

Improved debris clearance from bike lanes

Preserve existing bikeways

Mid range:

Public awareness: TV PSAs, other media

Bike counts to demonstrate demand?

Downtown bikeways: One to Two lane conversions -- include bike lanes (Price)

Southbound N/S route from downtown to midtown.

Improved bike parking (more racks, covered - Ellis Square?)

League of American Bicyclists' Bicycle Friendly Community designation

Include bike facilities in Trustees Garden, President Street and Savannah River Landing

Long term:

Complete Streets policy adopted by MPC, Savannah and Chatham County

Push for Coastal Georgia Greenway development

Apply for/assist others in TE grant applications
