SAVANNAH WHEELIE

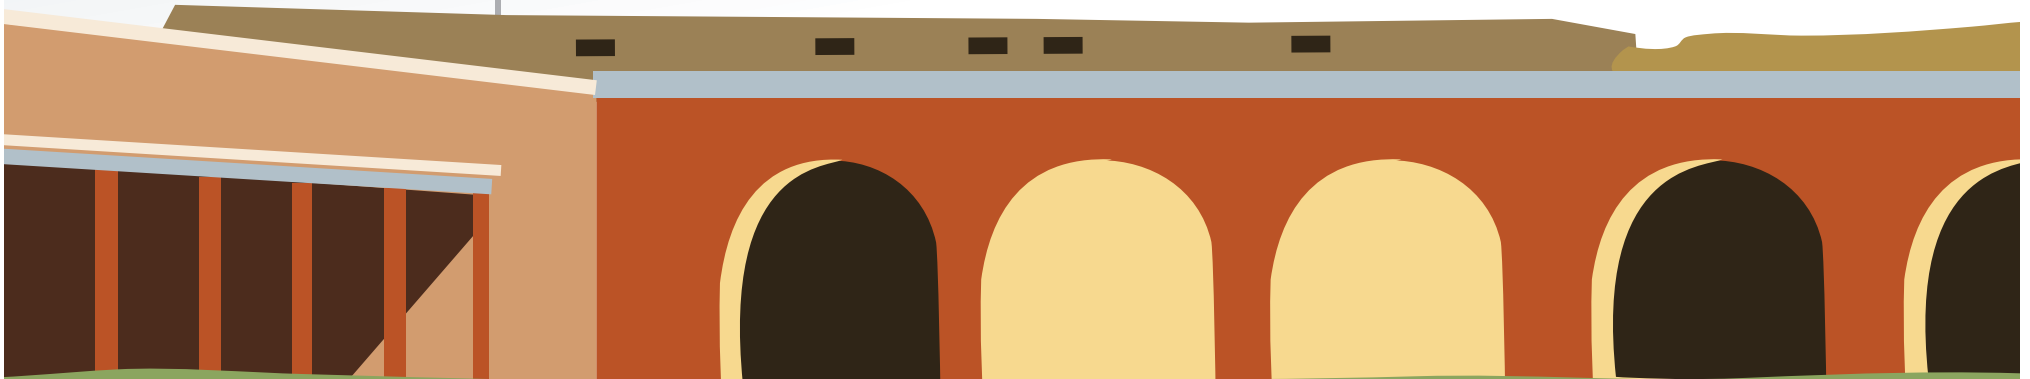

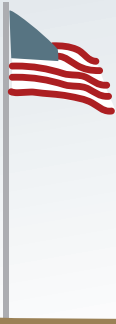

Bike Ride

Sunday, November 15

2-4 p.m.

Fort Pulaski

Savannah Bicycle Campaign will lead a guided bicycle tour of the McQueen's Island Rail Trail, Cockspur Island and the dikes surrounding Ft Pulaski. We'll start and finish at the Fort Pulaski picnic pavilions. Fort Pulaski has generously offered free entrance to Wheelie participants.

This is a unique opportunity to experience the fort's history from a new perspective. The ride is approximately 10 miles, though there are opportunities to make it shorter (2 or 6 mile options). As always, kids are welcome. We'll wrap up with a cookout in Fort Pulaski's picnic area—burgers and dogs will be provided. Please bring a dish to share and BYOB. **The more the merrier!**
